Last minute, Natalia decided to go to a Sixties-themed rave party at a local warehouse. She searched around the back of her closet and found enough stuff to put together this cute outfit. When her date came over, he brought his camera and took some snaps before they left. She liked them so much, she pulled out her vibe and decided to put it in.

INTIMATE THOUGHTS AND XXX ADVICE

A woman with long dark hair, wearing a black bikini, is leaning over a pool table. She is looking back over her shoulder at the camera. The pool table has a blue felt top and a dark wooden frame. The background is slightly blurred, showing what appears to be an indoor setting with some greenery.

PUTTING THE **HEAT** BACK IN YOUR RELATIONSHIP

Has sex become a once-a-week, get-your-load-off affair? Try these sizzling ideas.

He arrived at the cocktail lounge about 15 minutes before he was supposed to meet her, and he anxiously checked his watch every few minutes. The evening had been prearranged; there wasn't really much time, so they'd have a few quick drinks and a bite to eat, and then off to the motel. They'd each be back on the road before anyone missed them.

At about 5:30 the woman walked into the bar in a stunning black dress that fit her so tightly it forced her big tits up and almost out of the top of the garment. The couple recognized each other instantly and ordered a drink, exchanging a few nervous comments. What he really wanted to do was to peel that dress away from her soft, silky skin and plunge his throbbing cock into her.

They skipped eating and headed straight for the motel. His cock was bursting through his pants as he unzipped her dress

and let her large, amply nipped breasts fall free.

That evening they lay beside each other in a long embrace, kissing as their sweat, her pussy juice and his semen intermingled. Then it was time to go. With long looks and promises to meet again soon the man drove the woman back to her car and they both disappeared.

Passionate strangers in the night? An office affair? No. These were two people, long married, who tried and succeeded to restore the "honeymoon hots" back in their marriage. You can too, if you try. The main complaint of many couples as to why the passion seemed to vanish is:

The same old-routine syndrome. Many couples find that after a number of years the entire sex act becomes completely predictable. The result may be a nice but not very exciting sexual relationship.

The same place, same, time syndrome. Others blame "scheduled" sex for killing their relationship. It's deceptively easy to find sex winding up as a late Saturday night event, or every other Wednesday after someone gets home from a poker game, a meeting or a class.

The invisible mate syndrome. Then there are the couples, initially attracted to each other in a very sexy way, who seem to stop noticing each other. For instance, in the opening encounter above, Peter (the man involved) told us:

"When I met my wife several years ago I just about wet my pants the first time I saw her. She wasn't just beautiful, she was like a sundae with two giant scoops of ice cream, whipped cream and a cherry on top ... and I wanted to eat her.

"Yet as the years went by," he continued, "seeing her body every morning and every night took some of the edge off my appetite.

Yet that night at that cheap motel brought the thrill of possessing her, eating her, fucking her, back into focus."

If your sex life is on the skids, there are at least three things you can do to help revive it:

- *Try to figure out why it has fallen to the low point which it has. It might be that neither of you is attracted to each other anymore. Perhaps there wasn't that much attraction to begin with. In that case you each might find it better to go your separate ways. Or maybe face it, you've both become boring in bed or let yourselves go physically. (If either of you has gained more than ten pounds, consider a diet or shape-up program.)*

- *If it's simply a matter of the same old routine or some variation thereof, it's easy enough as Peter and his wife did, with some creative thinking—and action—to change that routine.*

- *You could also consider the possibility of new partners. Unless one of you falls madly in love with a third party or becomes insanely jealous, this approach could add new energy to your sex life.*

Here's how some couples have solved their problems:

Jerry and Susan were married in their early 20s. Although each had been with others before their marriage, neither had extensive experience with sex. Their sex life the first year was quite vigorous and fun, but kids quickly put a crimp in the bedroom action. By the time the second child had gone off to school, sex had fall-

en into a mechanical get-your-rocks-off-once-a-week affair.

Although both Jerry and Susan continued to be very attractive people, they weren't turned on to each other even though they both felt a tremendous horniness.

Jerry started coming on to women at the office where he worked. And Susan, stuck at home, started getting turned on to almost any other guy she saw in the neighborhood.

Fortunately for both of them, they were able to talk to each other about how they felt. Both felt they needed "someone else," at least for a while. Both were able to give each other the freedom to explore new sexual relationships.

of experimentation to their marriage.

Barbara and Chris were slightly older than Jerry and Susan. Married later in life, they were prepared to be more daring. They brought other people into their bedroom.

Chris related the first episode: "We both had developed a friendship with a guy named Larry who was attracted to Barbara and her to him. No one made any pretense of hiding it." One night, the three were having dinner when Chris suggested that they hit the sack together.

My wife is fantastic looking, especially without her clothes on," said Chris. "But I had for-

Jerry pursued some hot little number at the office and scored in no time. It took Susan a bit longer. After her first kid was in school she got a job in the next town, and eventually got involved with her boss—who was married. Eventually both Jerry and Susan began to develop intense sexual interests in their partners, and reported that their affairs had added a new excitement and sense

gotten how beautiful she was until that first night I saw her anew through Larry's eyes.

We both undressed her as she sat between us on the bed. Our friend's cock almost got red hot rubbing up against his pants. "We both fucked her well that night. And I got off as much watching them fuck as I did fucking her myself. I fucked her after our friend did. Larry has a sub-

stantially larger cock than I do. When I entered her she was not only soaking wet with cum, but she had been stretched out in a new way. It was like being with a new woman."Chris said that as the weeks went on their threesome not only continued, but it reached the point where he or Larry would enter Barbara's ass while she sucked off the other.

This had a number of side effects," said Chris. "Barbara and I only started having anal sex regularly, but we began to get it on a lot more—just the two of us."If you are not up to that kind of action there are other ways to bring back passion into your marriage.

Dan and Carol, for exam-

ing sex more than a few times a month.

Said Dan: "My wife has a smokin' hot body, juicy tits, a very nicely accommodating way about her, yet I was losing interest in her. Just about every other chick on the street seemed more attractive than my wife. Then I discovered that what was killing the passion for me was the familiarity of the whole scene. The same old, same old."

And as for Carol: "Dan would come home from work every night about half an hour after I got in. I'd be cooking dinner and we'd give each other a kiss. He'd ask what came in the mail; I'd ask if he wanted a drink. We'd talk about the traffic. In short, we were drowning in our relation-

they had dinner at home it was special, not the same old routine.

But probably the best thing they did was to make sex with each other special—even if it meant having it less often. Carol's the one who started it. One night as Dan was rolling over to stick his dick in her, come, fall back and go to sleep, she cut him off cold. Here's the way Dan described what happened:

"We'd been watching the late news and as I lay there with about half a hard-on, I was trying to decide whether I wanted to get laid or go in the bathroom and jerk off before I went to sleep. I decided I wanted to get laid. "So I rolled the wife over and was going to stick it to her and she said no. Normally she would be very accommodating, but this time she said no."

Dan asked her what the matter was. She replied that she didn't think he felt any real passion but just wanted a kind of "sleeping pill."

"If all you want to do is come," she said, "I suggest you go into the bathroom and jerk off. If you really want me you're going to have to prove it by making an effort to turn me on and to really turn yourself on, and I'll help."

Dan sat up in bed a little confused. All these years and suddenly she wanted to be turned on?

"You haven't been turned on all these years?" he asked. And she replied: "It's been comfortable and certainly nice, but turned on? No!"

"What would you like me to do?" he asked.

"To begin with," she said, "you really haven't eaten my puss in a long time. Start with that and I'll think of something from there."

ple, were too insecure to either allow the other the freedom to explore the field, or to bring someone new into their relationship.

What they did was to talk about it and try to discover exactly what was causing their passion to abate. They felt they were still very attracted to each other, but they were not interested in hav-

ship."

What they did to change things around was simply this: They began doing everything they could to break up the old routine. Rather than rushing home for dinner right after work, sometimes they met at a restaurant for drinks and dinner or went to the movies together or simply walked around until after the race to get home had died down. And when

Dan hadn't eaten her in a long time, it was true. As he parted her legs he realized that he had always taken the path of least resistance and did what had always worked, namely to stick his cock in her cunt and go to town. As his head slipped down into her pussy area he realized how enjoyable the whole thing was. Without parting her cunt, he ran his long tongue up and down the center of it until it began to swell and glisten.

Then he opened her folds with his fingers and got to work. He ran his tongue all the way from her asshole up to her belly button and back down. Carol started getting turned on and began moving in rhythm with his tongue. Then she reached down and started jerking him off with her hand. Then they began to kiss while she ran his hard cock up and down against her pussy. He tried to penetrate her, but she resisted.

"Suck my nipples hard," she demanded.

Dan was right on them, sucking and pulling her nipples with his lips. Then she let him fuck her. But this time, rather than the same old routine, Dan felt like he was with a different woman. This time her pussy wasn't just a little damp, it was soaking wet. As he slid into her he felt hot liq-

uid squish to the sides of his cock as he pumped up and down.

At one point he slipped out of her, and as he grabbed his cock to shove it back in he realized his cock, balls and the front of his legs were wet with her juices. And as he felt around he noticed that the crack of her ass and even the bed were getting wet.

When they finally rolled apart half an hour later, they both realized that passion had returned to their sex life. Dan felt for the first time in months (since he'd had that little chippy from work after the Christmas party) that he'd really shot his load but good. He was exhausted.

"You're not through yet, buddy," his wife said, sitting up and looking at him eye to eye.

"What do you mean?" he asked in amazement.

"Now you are going to get it back up and fuck me good, right in the ass," she said.

"You've never wanted it before," said Dan, thinking about all the times he had tried over the years and had been rejected.

"Well, I want it now and I want it good," she said. Just the tone of her voice, her demand to be ass-fucked, began to turn on Dan. He'd shot his load, but he was getting as hard as could be

matter what, until you're inside me to the hilt."

Dan first rubbed the head of his bulging cock against her ass and then started to push. She let out a groan as her outer muscles gave way to his throbbing hot poker. And then he pushed harder and harder. As she let out a cry the front of his body met her ass cheeks and he was all the way in.

Because of the excitement that evening, and because he didn't want to overdo his "stay" and hurt her, he came almost instantly. She tightened her muscles around his cock and held him in her ass for a while as they lay there holding each other. Not only had passion returned to their marriage, but love had returned and fully flowered.

There is any number of ways to bring that old feeling back into your relationship, if there is a solid foundation. If you're really

again. This was like being with a whole new woman, he thought to himself.

Her ass was already soaking wet with pussy juice and cum, but Dan rubbed lubricant all over his cock just to make sure he wouldn't irritate her unnecessarily.

"Now stick it in me slowly," she said, "and don't stop, no

tired of your partner, if you've lost respect and all interest in the other person, then it's time to go back out into the cold and hopefully find someone new and more gratifying. But if affection and respect remain, there are many ways to make that relationship work and restore passion to your relationship.

ISIS

Isis is best compared to a delicious red velvet cake. She's covered in a soft, dreamy exterior, that once you've licked sufficiently, reveals something even yummier. Once stripped, you just can't get enough of her. You could have her in all her beautiful naked glory, and she'd still leave you begging for a whole lot more.

A close-up photograph of a person's pubic area. The skin is light brown and has a natural, slightly wrinkled texture. Two fingers, with light pink manicured nails, are spread apart to reveal the vulva. The vulva is a deep pinkish-red color with a moist, glistening appearance. The overall lighting is soft and even, highlighting the natural contours and textures of the skin.

LETTERS FROM OUR READERS

Letters that should or shouldn't have been written, but you sent them to us anyway!

THE BET

So, a few weeks back, I had one of the most amazing experiences of my life! I was in Europe, out with some friends at a club, when I literally fell into a table where a half dozen or so chicks were getting VIP service. It was an honest mistake, and they were pretty cool about it, but one of them... one of them thought I made... an impression. She was the one at the very back of the table who I happened to spill the most on.

With a furious glint in her deep, dark eyes, this chick raged around the table, grabbed my wrist, and dragged me out of the club. I seriously thought she was just going to throw me out, but when she kept going with me, I finally asked where she was taking me. Not that she gave me an answer, so I just sort of went with it and got a good look at her, and let's just say wow!

She had a huge rack that looked like it was aching to get out. Slim, almost petite, but with a power and nature that carried larger than her shaped frame. She had fierce eyes and a beautifully smooth face, trailing back into long, blonde hair that was tied back in several braids.

It didn't take us long as she dragged us towards a nearby hotel. It was only then, back inside, that I saw what I'd done to her dress, which was completely soaked and clung onto her slender frame. Finally, in the privacy of a small elevator, she let go of my wrist and started telling me off for ruining her night and demanding to know how I would make it up to her.

She kept this up until we got

to an enormous suite, her laying into me, me following along because... I don't know. She was pretty hot, and this was pretty weird.

So, we get to the room, and she goes to the mini bar, pulling off her dress and proceeding to make drinks for 2 completely naked. And as good as she looked before, she was incredibly hot now. Her skin was flawless. Breasts poking out and perky, bouncing in just the right way as she walked towards me, long, precise arm reaching out to offer me the drink.

I took it slowly, eyes drifting down to a perfectly manicured patch of blonde hair leading down to her moist pussy. By the time I looked up, my dick was at full salute, and she was looking at me with an arm crossed over her chest and an expression that seemed to be asking what I was waiting for.

I chugged down the drink as she watched impatiently, finally demanding that I get out of my clothes. I'd never received quite a demand before, but it didn't seem like I was in trouble anymore, so I sort of went with it. She made me turn around for her as she sipped her drink, appraising my young, athletic body.

She squeezed my pecs and heavy balls before she finished her drink, nodded, and told me I would do. She set her glass down and pushed me backwards onto the plush couch.

Without a word, she lowered

RIGHT THEN, I HAD THE HOTTEST CHICK I'VE EVER SEEN RIDING MY DICK.

herself down on my throbbing cock. It was so hot, I almost burst on the first thrust, but I held on, having no idea what this was about, but not really in a position to care. Right then, I had the hottest chick I've ever seen riding my dick. There wasn't anything I wouldn't do for her to keep on going.

I looked up at her, catching her eyes as she bounced on my crotch, letting out soft moans of pleasure. She reached down to twist at my nipples sending new waves of pleasure through me. I let my eyes close, feeling her pussy tightening and loosening around my cock. She knew how to work it, knew how to make it feel more amazing than I'd ever had. And she kept control. After my initial throbs, she was able to make her own pace, holding me back from shooting off until she

was ready for it.

She took her time and built herself up slowly, grinding away and pointing my dick to the spots she wanted. Finally, she let loose, sending waves of pleasure through her body. I took the opportunity to grab her shaking body and thrust up into her, busting the biggest nut ever. My dick just kept going, and she wrapped her arms around my neck, pussy swallowing me up.

When we'd both taken a minute, she quickly got up, and as we got dressed, I finally asked her what that was about. Not that I was complaining, but curious. She laughed and told me I was a bet. Apparently, she was supposed to sleep with whoever got her to go back to her room that night, and made her change clothes. She walked me back to the club and we both went back to our groups. A random fling that I'll remember the rest of my life.

DOMINATED

My girlfriend has recently turned out to be one of the hottest babes on the planet. When we felt our sex life had become just a bit boring, we tried to liven it up in different ways. Lately, she's decided to become a "domatrix." But what does your mind conjure up? For most people, it's a woman donned in black leather or vinyl lingerie, black stiletto thigh high boots, and she's carrying a whip. Please let me go ahead and say that we are not into a lifestyle or sexual inclination involving pain or humiliation, but for those that are, that's fine.

Guys, we want to tell your readers that domination play can be fun! How would it feel ladies, to turn the tables on your boring man? Take a minute to think about it, especially you women out there who are sexually timid. Here's how we/she did it.

So – I come home from work one day to find her cooking dinner as usual, except that there is something slightly different. At first I can't figure it out. She greeted me with a kiss and hug, then whispers in my ear that tonight I'm hers.

Her hand lightly grazed my pants as she headed back to the stove to finish cooking – and for the rest of the evening whenever she passed me, she'd grope me or give me a sly look. After dinner, we left the dishes on the table and the pots and pans in the sink, and she told me she expected me in the bedroom in five minutes. That was very much unlike her.

When I came into the bedroom, she shuts the bedroom door behind me and locks it. Then she pushed me up against the wall and started to kiss me passionately as she undressed me. I tried to help but she gently slapped my hands away and looked at me sternly in the eyes.

When I was nude in front of her, she grabbed my cock, already hard from all the stuff that went on beforehand, and said that she is going to take the rest of the evening exactly where she wanted it to go. Damn, I thought to myself. Then she tells me to undress her slowly. Everything she has on is easy to get off. She must have thought that out, too. I undo her zippered dress from the back and it slides to the floor. I undo the front bra clasp and her great boobs pop out.

She's not wearing panties so she takes me over to the bed and pushes me down on the bed and straddles my face so I can lick her. All the while, she's reached for-

WHEN I WAS NUDE IN FRONT OF HER, SHE GRABBED MY COCK...

ward and is stroking my cock, so my licking becomes more fervorous (is that a word?).

She bends down and switches her hand for her mouth all the while leaving her pussy on my face to lick and suck as we sixty-nine. I make the most of it for her pleasure as I feel her sucking my cock like never before. I don't feel like I need to go into the specific details of the rest of the night, but you get the gist of it. I was one hot night and it didn't end until four in the morning. Now most of you guys know it's difficult for some guys to cum more than once, but she milked two big and one small jizz out of me that night. That's something that had not happened in years. I think I made her cum at least four or five times, too!
